RAJEEV YADAV

Entry-Level Software Developer | Full-Stack Web Development

Phone: +91 8299279529 | Email: rajeev829927@gmail.com | Location: Varanasi, UP, India
GitHub: github.com/rajeev8299 | Portfolio: rajeev8299.github.io/portfolio

PROFESSIONAL SUMMARY

Detail-oriented and results-driven MCA candidate with practical experience in full-stack web development, backend scripting, and database administration. Proven competence in designing scalable web architectures using HTML5, CSS3, JavaScript, PHP, and modern backend integrations. Adept at creating robust relational databases, implementing RESTful patterns, and collaborating across Agile environments using Git/GitHub.

TECHNICAL SKILLS

Languages:	C, PHP, JavaScript (ES6+), SQL, HTML5, CSS3
Databases:	MySQL, Relational DBMS, Database Normalization, CRUD Operations
Frameworks & Tools:	Git, GitHub, VS Code, Apache / XAMPP, Responsive Web Design (RWD)
Core Competencies:	Full-Stack Development, Algorithmic Logic Building, API Integration, Agile/Scrum

WORK EXPERIENCE

12S Internship — Software Developer Intern Sept 2026 – Present | Varanasi, India

- Engineered interactive GUI desktop applications (including logic calculation engines and interactive games), applying modular programming and clean design principles.
- Collaborated within an Agile sprint lifecycle, maintaining active Git repositories, version control workflows, and code review compliance.
- Optimized core algorithmic routines and handled structured data operations to enhance application performance and user responsiveness.

KEY PROJECTS & LIVE WORK

Manorama Dental Clinic | Healthcare Web Portal Live Link

- **Motive:** To provide seamless patient appointment booking, showcase dental services, and establish an accessible online presence for healthcare seekers.
- Developed a responsive healthcare platform with structured service categories, contact routing, and an intuitive UI/UX interface.

Taza Sabji Bazzar | E-Commerce Marketplace Live Link

- **Motive:** To deliver a convenient digital marketplace for fresh groceries and vegetables with quick catalog exploration.
- Designed and developed a vibrant online grocery marketplace featuring structured catalog browsing and smooth user interaction.

Travel Buddy | Tourism Web App Live Link

- **Motive:** To simplify vacation planning and destination discovery through interactive itineraries and guide modules.
- Built an engaging travel discovery platform showcasing interactive layouts, destination guides, and responsive trip planning views.

Gym Fitness Portal | Fitness & Training Platform Live Link

- **Motive:** To promote health club services, membership tiers, and structured workout schedules to fitness enthusiasts.
- Created a dynamic fitness club website featuring workout schedules, membership plans, and trainer profiles with mobile-first responsiveness.

EDUCATION

Master of Computer Applications (MCA) — RSMT Varanasi (AKTU, Lucknow)

Bachelor of Computer Applications (BCA) — MCMT, VBS Purvanch al University

ACHIEVEMENTS & LANGUAGES

State-Level Sports: Won State-Level Medals in Roll Ball & Skate Racing Tournaments (demonstrating discipline and team collaboration).

Languages: English (Professional Working Proficiency), Hindi (Native).
